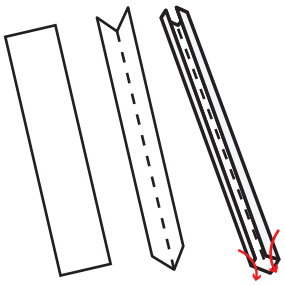
DIY Lunch bag

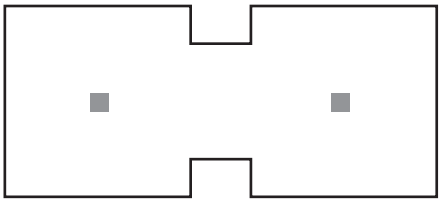
Material:

- 1y of Telio Deandra Cotton Tie Dye Denim Blue
- matching thread



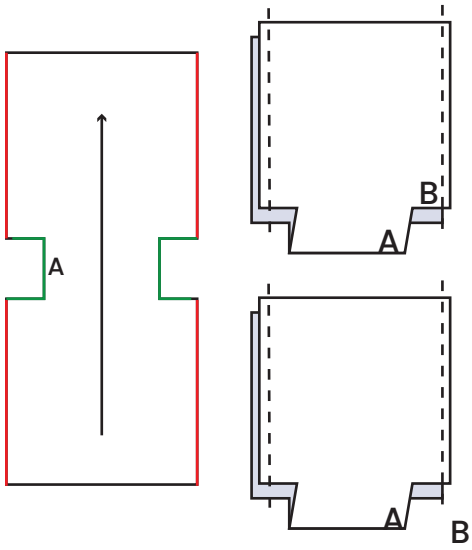
1

To make the lunch bag ties, fold in half and press each piece.
Fold again each side toward the middle of the piece. Sew at the edge of the fold.



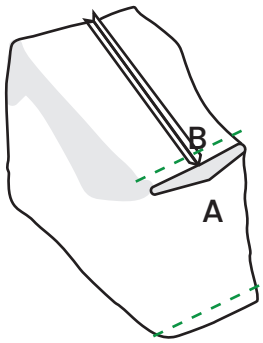
2

Pin in place one edge of each tie on the gray square and sew.



3

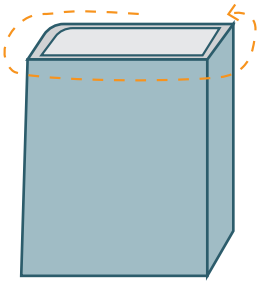
Fold in half lengthwise and sew along the sides in red (3/8”) right sides together.
Repeat with the second piece.



4

Matching middle of A and B, pin in place bottom seam and sew at 3/8” from the edge.
Repeat on the other side.

Repeat on the second piece.



5

Assemble the bag, with right sides together, sew along the edge leaving a 3” opening.

Turn bag inside out, and place corners together to form a flat bottom.

Sew the opening.
